Profile Summary

I am Pihu Jain, a final-year Computer Science student at VIT Bhopal, specializing in Cloud Computing and Automation. I enjoy understanding how technology works and explaining it in a clear, practical way. Through my projects, I have worked with Python, Java, SQL, databases, and REST APIs. I am also familiar with AWS, Docker, Git, and GitHub.

Education

Name of course	Year	Institution	%
B.Tech, CSE (Cloud Computing & Automation)	2023–27	VIT Bhopal University	8.64 CGPA (86.4%)
AISSCE (Class XII), CBSE	2023	St. Joseph's Convent Hr. Sec. School, Itarsi	72.8%
AISSE (Class X), CBSE	2021	St. Joseph's Convent Hr. Sec. School, Itarsi	87.6%

Technical Skills

- **Frontend:** React.js, Next.js, TypeScript, JavaScript
- **Backend & APIs:** Java, Python, REST APIs, API Integration
- **Databases:** PostgreSQL, MySQL
- **Tools:** Git, GitHub, Docker
- **Cloud:** AWS (EC2, S3)

Academic Projects

GapstractAI | Research Analysis Platform | *Next.js, TypeScript, PostgreSQL* GitHub | Demo |
- Built a web application that processes research papers and generates structured summaries, citation details, and potential research gap indicators.
- Integrated LLM APIs into the analysis workflow and validated the generated fields before storing results in PostgreSQL.
- Evaluated results on 40 abstracts and refined prompts to improve measured precision from 62% to 81%; the platform has been used by 800+ users.

Cleerlyst | Academic Records Platform | *Java, TypeScript, PostgreSQL* GitHub |
- Developed a web platform for students to view their own academic records and for staff to access records across a class.
- Implemented role-based access and an audit log that records which user accessed a resource and when.
- Designed PostgreSQL tables and queries to support reliable record retrieval as the dataset grows.

StegoX | Secure Multimedia Tool | *Python, Streamlit, AES-256* GitHub
- Developed a Streamlit tool to conceal messages in image, audio, and video files, encrypt them with AES-256, and verify the user's voice before extraction.

Academic Achievements

- **Winner**, PyDroidX VibeHack hackathon, VIT Bhopal.
- **Winner**, SecVIT hackathon, VIT Bhopal (second hackathon win of the year)
- **Technical Content Team Member**, IoT Club, VIT Bhopal
- **1st position**, in the Notion Quiz at VIT bhopal University

Extra-Curricular Activities and Other Information

- Volunteered for a month at a local orphanage, teaching core school subjects and organising activities for children.
- **Organising Member**, Ekfraseis Dramatics Society, VIT Bhopal i have planned and ran college events end to end, coordinating performance, i had held schedules together on event day.
- **Languages:** English, Hindi. **Interests:** Chess, sketching, long-form non-fiction
